By JOHN NECAISE

Understand Doug Necaise was feeling a little bit under the weather last week, but he back "in punching again."

Gale Poncey was in Piquette hospital last week for x-rays. So was Glinda Davis. But instead of x-rays it was that "ole" flu

menace for her.

A spaghetti supper is planned the Sunday after Easter at White Cypress Youth Center to honor the past queens of the Tang Nuts Festival. The following week will be the festival and a dance.

Birthday wishes this week to J. O. Ferguson of Necaise Crossing. His day was March 20.

Rev. Vernon Danemann, assistant pastor of Annunciation Parish was in New Orleans last week to speak to Catholic School students on vocations (sisterhood, brotherhood, and priesthood.) He spoke to Holy Trinity School and St. Katherine's, March 5; St. Mary of the Angels and Our Lady Star of the Sea, March 6; St. Joseph's and Christian Brothers' School, March 7.

An independent basketball team has been formed in the North County area. The players are Jimmie Favre, Jimmy Smith, Melvin Mitchell, Lionel Hoda, Billy Sills, Jerry Necaise, Richard Cuevas, Virgil Sones and Danny Ponton. The last game played was won by the team, defeating Logtown, 48 to 29. The next game is slated with Poplarville.

Mr. and Mrs. Clayton Adams and children of Bay St. Louis visited Mr. and Mrs. Earl Lader last Sunday.

Mr. and Mrs. Douglas Stewart and son, Bobby Doug of New Orleans, were in Crane Creek last week visiting friends and family.

Men of Kiln and surrounding communities joined forces last week and filled the proposed Annunciation Elementary School grounds with 100 truck loads of fill dirt. The men used their own dump trucks and the dirt was given freely. This act should not go by without commending these civic minded men who by doing this saved the parish and diocese a great expense.

Ten members of the H.N.C. 441 (boys) Club were in Hattiesburg last week for the South Miss. dairy judging contest. They were Norman Ferguson, Lowell Moran, Elmer Ferguson, Ronald Lader, Lanier Shaw, Ron Lader, T. A. Shaw, Roy Palmer, Ronald Lader, and Lloyd Anderson. The boys were accompanied by John Smith associate county agent.

Mr. and Mrs. Lloyd Bourgeois of Bay St. Louis and son Pat, who has just returned from Germany were guests of Mr. and Mrs. J. W. Olsen of Kiln.

H.N.C. students heard a talk on space travel, NASA, MTO and an expedition to the moon (to occur in 1968) by Ed Buckbee, public relations man for NASA.

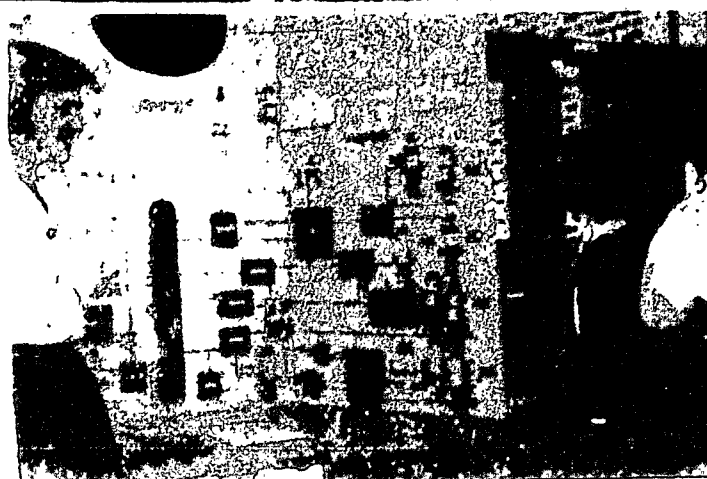

Several members of the H.N.C. Future Homemakers of America attended the spring meeting of the Sub-District HIA last week in Pass Christian. After the meeting the girls, accompanied by their teacher, Mrs. C. I. Favre, went shopping.

District Attorney Robert Holman spoke to the students last week on the subject of law and public safety.

Linda Ellibo, a graduate of SJA and daughter of Kiln is now working in New Orleans as a secretary for a lawyer.

Announces his candidacy for re-election for Public Service Commissioner Southern District

This is to announce my candidacy for re-election for Public Service Commissioner of the Southern District. In seeking re-election to the post which I have held for eight years, let me cite some of the major accomplishments of the Commission.

During my two terms there has been no major rate increase by any utility. More than twelve and one half million dollars from telephone companies have been refunded to you by check. More than six million dollars have been refunded to gas customers.

One of my chief projects has been to extend telephone service to farms and to the rural areas. 187,476 new telephones have been installed in the State of Mississippi during my term. 82,272 of these have been on the farms and in the rural areas.

My record is my platform. I have now participated in more than 4,500 cases as your Commissioner of the Southern District. I feel that this experience is extremely valuable. In every instance I have tried to consider the best interest of the public. I am therefore asking you to re-elect me to this office. To the very best of my ability I will approach every problem with fairness to all.

## HNC Home ec students give style show

Students in the home economics classes of Mrs. Cornelius Favre at Hancock North Central School presented a style show Friday, modeling the clothes which they made.

The seniors showed suits. Lois Bonds was judged first for her oxford gray flannel made with slim skirt and semi-fitted jacket. Carolyn Lacher was second in a royal blue wool with straight skirt and chanel jacket. Wanda Flynn, wearing a blue spring print afternoon dress with a portrait collar, won among the juniors, tying for second were Ann Dadeaux in a ruffled piece red wool and Remona Hoda in an aqua pima school dress.

Lena Mae Garriga in a red wool suit and Jamie Shaw in a turquoise blue skirt and vest worn with a white blouse tied for first among the sophomores.

There was also a tie for first

place in the freshman class between Glenda Sue Nocalise wearing a red sheath trimmed in braid and Brenda Lacher in a dark cotton suit with chanel jacket.

Eighth grade students showed aprons, skirts, and blouses. Gaydell Hermann in an aqua slim skirt and matching overblouse trimmed with white banding tied with Lorraine Bennett who wore a smart red plaid skirt with matching sleeveless overblouse. Judy Deschamp's white broodcloth apron elaborately trimmed with pink rickrack braid tied with Gloria Stigler's red apron trimmed with white rick-rack.

Special feature of the show was the appearance of Mrs. Leroy O'Toole, who started sewing less than a year ago under Mrs. Favre's tutelage and followed it up with a course in Parisian dressmaking. Mrs. O'

Toole modeled a white silk line suit and a pink silk basketweave suit with chanel jacket, both designer's modes.

Judges were Mrs. L. P. Bates, Mrs. J. C. Harrell, Mrs. Frank Lee, and Mrs. G. S. Kennedy. Edna Moran, sophomore, wearing a royal blue wool suit with a spring print blouse in blue and white, narrated the show.

# Pollypeers

It is one thing to be interested in this just happens to be quite another thing to be a Pollypeer. It's Good Human Relations Week, National YWCA Week, National YWCA Week, Free World Friendship Week, National Garden Week, Chemical Progress Week, National Education Week and a few others, but as we've said before, we'll quit while we're ahead. We just can't help but throw up all of these weeks—our governor must have thought up all of these weeks—haven't heard about any of them on his mind, though—haven't heard about any of them.

Receiving his official stamp of late Tch, tch, tch... which reminds us to remind you, the polio antidote charts donated by the Juvenile Diabetes Foundation, as well as insecticides, aspirin, sleeping pills, and most medications for that matter, and some of the most common accidents are caused by storing bleaches and the like in containers such as milk bottles, glasses—if you have small children at home, keep all such items under lock and key and as an extra measure, stick your chart inside the medicine cabinet.

## Butterflies and mosquitos

Each for that—think we'll begin by welcoming the butterflies which dutifully appeared in large numbers the first day of spring. Their stuff for the Garden Pilgrimage which was a huge success according to all reports. We aren't quite so enthusiastic about the butterflies appearing in even larger numbers, after so long a time we develop a certain immunity to these pests, but our new residents are providing them with many a meal. Mrs. Basil Cocke, who lived in London before moving here, seems to be the most expert on the subject. She's in fear of being eaten alive. Maybe the butterflies are like some cannibals who definitely prefer Englishmen to Americans. Our blood is supposed to be polluted with arsenic, etc.

Welcome to Waveland, Mr. and Mrs. Charles E. Harvey who have taken the Crescent City and are now permanent residents of Waveland.

Mr. Bertrand Eckert left Wednesday for another far Eastern voyage. He'll visit Pakistan and India. But didn't appear to us seriously when we stated a cobra would make a nice souvenir.

## Speed will win out

We're now firmly convinced that there is no such thing as a truly good bachelor as Cupid's dart finally penetrated the being of the town's most eligible—Sam Pavre who with his lovely bride, Sandra, is at present honeymooning at Gulf Shores, Ala. Hear the phones were buzzing like mad all over town Sunday night as they were former gal friends passed the word around. Ruby and Wayne Davis are in the process of moving into their Long Beach home which they acquired at a very convenient time as their first baby is scheduled to arrive within the next few days.

Deep sympathy is extended to Bea Georgi and her family—Bea and her New Orleans Sunday night to attend the wake and funeral for the 45-year-old great nephew, little Paul Redd who was a victim of leukemia.

## In the sports front:

Dr. Elliott, wearing his spring chapeau, a ten-gallon type straw, seems to us that although he hasn't taken many large fish of late, he's been catching plenty of small ones. We knew they must be catching up. Harold Zimmerman makes an almost daily pilgrimage to the Gulf, popularly pronounced Bayou Caddy, but on maps it's the Gulf.

David Fagen blew in from Pass-A-Grille, Fla., for a weekend to visit his mother, Polly.

## Weekenders

Dr. Julius Bosch and attractive blonde, Terri, made the rounds Sunday. Doc is developing a most sybil-like physique and is going on his new diet. A 15 lb. gain on Sunday. The following have announced through the Sea Coast Echo that they are candidates for office in the Aug. 6 Democratic primary election:

Leslie and Martha Lynch and Lesley attended a demonstration of Sullivan's Technique at the Broadwater Beach Monday night. They enjoyed the program and dinner which was a feature of the affair.

Frances Chapman has returned from New York which proved to be Arctic for her comfort and husband Jerry's. She spent the weekend with her mother-in-law, Mrs. C. F. Fikerson, returning to New Orleans Monday. Jerry will be there as soon as he finishes his business commitments in the Empire State. (Cont. on Page 10.)

## Bilbo county

In recent weeks Picayune groups as well as the Picayune Item have pushed for a new county, Bilbo, with Picayune as the county seat. Suggested boundaries would include part of northeast Hancock County and Pearl River County around Picayune.

Advocates of the new county point out that Picayune is larger than Poplarville, Pearl River's county seat, but residents of that area must travel to Poplarville to pay their taxes and go to court and the lawyers have it worse since they must frequently make the trip in order to check court records.

Where northwest Hancock County is concerned the same if not stronger arguments can be made.

Accepting the fact that Picayune becomes a county seat the same reasons can be advanced for including northwestern Hancock County in the new county or can for any part of Pearl River. That area of our county is basically agricultural and a farming town like Picayune has more to offer these people than does Bay St. Louis or Waveland, thus most of the Hancock Countians of that area do their buying and selling there, and come to the Bay only to pay taxes and during court sessions. Even much of the area is served by Picayune schools. These people are oriented to Picayune and tied to it.

From the less concrete standpoint there is another reason why, should there be a new county formed, part of Hancock County should be included in it. For many moons there has been resentment against the more populous coastal area on the part of the agricultural and more rural part located in the north of our county. The selfish interests of the two parts are just too divergent.

For our part we would support any serious effort to form a county with Picayune as its seat and including in it that part of Hancock County situated in the northeast from a point north of Kiln curving to the northeast to Pearl River County and to the west to the Louisiana line.

## Letters to The Editor

Editor, Sea Coast Echo:  
As one interested in retiring in your region I applaud your stand on the Bobbie Kennedy invasion of Oxford, Miss., and want the people of Mississippi to know that many here in Texas have similar views regarding the gradual erosion that is taking place in rights bestowed on the several states by the Constitution.

The current rhubarb regarding Hancock General Hospital, to me, is a detriment to your fair city.

Your paper reflects an atmosphere of a friendly people and I enjoy it very much.

Yours sincerely,

SAVINGS & LOAN ASSOCIATION

MASONIC TEMPLE BUILDING - TELEPHONE HOMESTEAD 7-4031

Bay St. Louis, Mississippi

March 28, 1963

Dear Friends:

For some years the Board of Directors of this Association have been mindful of the fact that we were approaching the time when we would outgrow our present quarters and were aware that the Association should have its own home; a home in which we and you the people of this Community could take pride.

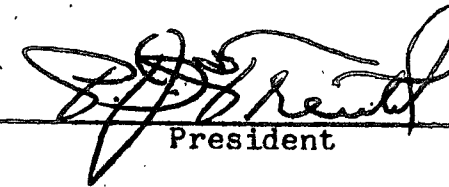

As some of you may know this Association was established in 1890 and is, we believe, the oldest financial institution now in existence on the Mississippi Gulf Coast.

It was in 1901 as our old records reveal that we first paid rent to Bay St. Louis Lodge F. and A.M. for quarters in the old Masonic Building that preceded the present building which was constructed in 1926.

Next week we will tell you more. In the meantime dig out your old tin-types and photograph albums to help you realize how long ago 1890 was.

Yours very truly,

## Financially Fortified

"You cannot bring about prosperity by discouraging thrift," said Abraham Lincoln. "You cannot strengthen the weak by weakening the strong. You cannot help the wage earner by pulling down the wage payer. You cannot further the brotherhood of man by encouraging class hatred. You cannot help the poor by destroying the rich. You cannot keep out of trouble by spending more than you earn. You cannot build character and courage by taking away man's initiative and independence. You cannot help men permanently by doing for them what they could and should do for themselves."

Lincoln who knew poverty and the value of a dollar as well if not better than any other president of the United States, knew that "you cannot bring about prosperity by discouraging thrift. . . . You cannot keep out of trouble by spending more than you earn."

This great American exponent of thrift and freedom knew that hopeless debt is a form of economic slavery, and that to live beyond one's means is one sure way to achieve individual poverty and national bankruptcy.

A country's solvency is as essential to its survival as superior weapons. It is as important for a nation to be financially fit as it is to provide it with fortifications. Capitol and credits are as vital to national security as war materials - munitions, missiles, jets and rockets. In every war, money is an army's most effective ammunition. In times of peace as well as war a people must be fully prepared and financially fortified.

Our future freedom as individuals, the security of the Republic - our American way of life - depend upon a balanced national budget and unimpaired credit. As Lincoln would say, "There are no ifs and buts about that."

We Thrive On Thrift

Mr. Arceneaux accepts delivery of this New Beautiful Safety 1963 Oldsmobile from Mr. Ben Hillis, local Oldsmobile Dealer. On this New Car has been installed the most important of all Safety measures—the New Safety Shield Tire. Since driving is different today, today's cars are different. Packed with more power and power equipment. They start faster, go faster and stop faster. The above car is equipped with "THE WORLD'S FINEST AND SAFEST TIRE"

## THE GOODYEAR DOUBLE EAGLE AND CAPTIVE-AIR STEEL-CORD SAFETY SHIELDS

The Safety Shield provides an independent air chamber. . . an inner tire that puts a "spare" where it's needed most—in the tire on the road.

The Steel-Cord Safety Shield has double plies of high tensile steel mesh and Nylon cord. It puts a "shield of steel" between the driver and the danger of blowouts or inconvenience of punctures.

If a vicious road hazard should rip the outer tire, the Captive Air "inner spare" instantly supports the load. . . for 100 miles or more. . . no stopping or road side tire changing. . . to a service point at the driver's convenience.

The superior first line safety of the Double Eagle and the protection of the Captive-Air Steel Cord Safety Shield combine for unsurpassed protection and maximum confidence the driver, his family and his car. We invite you to look into this safety protection. There is of course, no obligation. . . to your family's safety. . . and we have the change over plan that pays you an extra allowance for your present tires (up to the full list price). . . phone us now. ### Smeloise advises

If spring fever doesn't have you in the do nothing mood and you feel inclined to clean proceed unadvised during the winter DON'T—just relax and postpone this task a week or so until the yellowish pollen which falls from pine trees has ceased to leave a film on everything it touches. We'll admit this is an un-household-type tip, but this advice will save you from repeating the task day after day. The easy way to discover when the falling has ended is just about one square foot each day. . . when you find this is still clean the following day, you can proceed with the hose and mop!

### California bound

Lizette and Henry Capdepot took off Saturday via train for San Francisco, Calif., where they will visit their daughter and son-in-law, Gloria and Chuck Solis and children, Diane, David, Jimmy and Liz. They will also visit Los Angeles while in the West, but will return home in plenty of time to welcome another daughter and family, Elsie and CWO W. L. Higgins of Anchorage, Alaska, who arrive in June to spend a 30-day leave. Yet another daughter, Gladys (Mrs. Lamar) Bassett came here from Pasadena to help her parents prepare for the long voyage.

### Plaudits on the pilgrimage

Bay-Waveland Junior Chabbers are still having over the wonderful cooperatives given by everyone in the community to prepare our area for the Pilgrimage. They are especially delighted over the transformation of the Junior Center, Mrs. J. J. Sannister of Masons Kilm donated camellias and arbutus, Mrs. A. A. Sannister of Masons Marble and Granite Co. furnished tables, and Mrs. R. A. Sannister also gave plants and the Junior Center is the landscaping. Thanks also go to Tom and Dorothy Clark, officials of the Bay and Waveland, Roy and Nell Smith, lawyers and Rotarians, Joe Scharf, Mrs. C. C. Scharf, Mrs. Walter Ous and Mrs. Ruth Woods Lusterbach, Hobday Nursery, Mr. and Mrs. William Ogden, Mr. and Mrs. Reese de Montbanc, Rev. Charles Johnson, Mrs. Frank Kiefer and all of those undertaking their own clean-up and planning projects. And we'll add, now we're all better, or rather anti-litter conscious, let's not get messy again!

Rehearsals are underway each Monday, Wednesday and Sunday at 8 p.m. for Come Back Year here to be presented at the Little Theater's first of four plays of the season. A newcomer, Joe Graham who is with the Corps of Engineers, has the male lead. Others in the cast are Marcy White, Lee Beach, Norah Brown of Pass Christian, Adeline Samuel, Paul Wicketman, Dennis Neuzeneau and Teddy Steinhagen. Season tickets are now available at \$5. for adults, \$2.50 for children.

### Animal notes

Suita's Antelope, a horse with sufficient breeding to match his fancy name, is quite ill with leptospirosis, a highly contagious and frequently fatal equine illness. The animal was from Mayfield's Christmas gift so we're sending him get well wishes with the hope that none of the other Mayfield horses or any of their unpetted dogs come near with the disease.

Frankly most tiny babies leave us somewhat apprehensive and Margie and Sidney Pook's small daughter, to be christened Jada Gayle, is literally a little devil. She has deep blue eyes, fair complexion and an abundance of thick, shiny black hair. Margie is up and about although she'll have to take it easy for several more weeks. The baby was delivered by section and she had complications with the incision. Margie is more than a little proud of her brother, Jada, who is a Mississippi State's star basketball player.

Joan and Rex Glass spent the weekend in Mobile with the family. Joan's parents, Mr. and Mrs. John S. Glass, are on vacation in the Gulf. Joan is a nurse at the hospital and she'll be home Friday and she'll be home Saturday, so we're sending her our happy birthday greetings.

Bebe Favre Ward's many local friends will be glad to know she's now living in Biloxi as her husband S/Sgt. A. Ward is now stationed at Keesler Field.

Southern Bell In Mississippi

## Extravaganza in the ring

Extravaganza boxing weekend locally in many a year begins at 8 p.m. tonight as nine teams from throughout Louisiana and Mississippi will be represented in an invitational tournament, sponsored by the St. Stanislaus Sidelines Club. The action will take place at Stanislaus gym.

Bob Dugas will take time off from training for his up-and-coming bout for the new Junior Middleweight Championship with Jimmy May Jr. April 29 in New Orleans to referee matches both Friday and Saturday night. Dugas has fought for professional titles in New Orleans and the New Orleans flash has a large following in Hancock County.

We understand all efforts were made to get former featherweight champion Willie Pep to ref a few of the matches, but the well-known Pep will not be able to appear.

A host of top Southern amateur boxers are entered in the tournament, including Golden Gloves Champions from both Louisiana and Mississippi. Bay St. Louis, Biloxi, Pascagoula, McComb, Hattiesburg, and New Iberia will vie for club honors, while St. Mary's of New Orleans, Gonzales, and Lafayette boxing clubs will enter some of their better fighters.

Representing the Bay Boxing Center and head instructor Buck Price will be Harvey Mitchell, 145 lbs., packing a powerful knockout punch which has made him a leading crowd-pleaser; Johnny Favre, one of the fastest-improving local boys and one who has been with the club since its formation last year; and Mike Fayard, Emile Barygola, Roddy Henley, Ernie Netto, Donnie Bilbo, Jeff Colson, Phil Colson, Dennis Geoffrey, Jay Warner, Lester Daugherty, Peter Daugherty, Orville Ferrell, Sammy Carver, Rasty Asher, Gary Marquet, and Donald Marquet.

The Stanislaus gym will probably be packed for most of the matches and boxing fans are in for a real treat. We know all safety precautions will be used in the ring and by each of the participants as well. Tickets are available at Trepani's, A and G, Theater, Bay Used Furniture Store, and Bay Boxing Center. General admission will be 50¢ for students, \$1 for adults, and \$1.50 for kids.

There are three separate divisions - sub-junior, novice, and open classes. Trophies will be presented Saturday night by Larry Taylor, reigning Miss Bay St. Louis, to individual winners and runners-up, the best individual sportsman, and to the team champions.

## We'll pit Providence, Loyola

Loyola of Chicago reigns as 1963 National Collegiate Athletic Assn. basketball champion following a 60-58 victory over Cincinnati's favored Bearcats in the finals Saturday night. The championship game was perhaps as thrilling as a game could be but in our opinion didn't display to a national television audience the true caliber of good college basketball. As far as we're concerned, it just served as further proof of a statement we made recently implying that basketball was becoming a big, big men's game.

Cincinnati's junior forward Ron Baneham was the only good shooter on the court—offensively most of the others could do nothing but jump and rebound. However, as demonstrated in the final second by Loyola center Vic Rouse's leaping tip-in for the deciding goal, jumping and rebounding is the "big" thing in basketball today. We will have to give credit to Bearcat guard Tony Yates for playing an outstanding floor game, and overall defense was good although just plain lousy passing led to some of what appeared like good defensive plays.

We were glad to see the Ramblers win, first to end Cincinnati's three-year dominance of the sport and second because Loyola was the team that knocked local favorite Mississippi State out of the title picture. Still, Loyola did very little to impress us as being the best team in the nation.

Actually we got more enjoyment out of watching the National Invitational Tournament finals from New York, won handily 81-66 by Providence over Canisius. The NIT is considered only a kid brother of the NCAA tournament, but one fact was clear—Providence and Canisius knew how to shoot. A Providence-Loyola match might be closer than most people imagine.

## Side Bars

Reinke's Dirt Dobbers, one of the top men's bowling teams in town, scored a tremendous 1137 team handicap score for one game in league competition Sunday. Vernon Bermond led the scoring with 239, Red Reinke had 235, and Buck Kimball tallied 220. That's pretty good scoring, especially in the same game!

Kitty Mollere rolled a 538 series last week in Mis-Fits Women's League competition, high for the season. She included a 222 in her series, short of the high league single game of 232 by Barbara White.

Turning to fishing, Jimmy Giametta, Jimmy Austin, and Ted Lehmann nabbed a nice-sized gar Saturday off the seawall in Waveland.

## 7 teams sign for softball

Seven teams were entered Thursday night at the first 1963 meeting of the Bay Softball League at Trepani's Knock-Knock.

Discussions were presented on possible rules changes with all motions to be voted upon at a later meeting.

One new team announced entrance into the league, sponsored by the Bay St. Louis Catholic Youth Organization and Rev. Michael Kelly. Ray Kidd was named as manager.

Other teams at tag were Southern Realty, Bill Johnston, sponsor; Donald Caldwell, manager; Krankey's, Harold Krankey sponsor; Bruce Favre manager; Reinke's Dirt Dobbers, Red Reinke, sponsor; Vincent Morreale, manager; Trepani's Knock-Knock, Frank Trepani, sponsor; Junior Geoffrey, manager; Kilo Youth Center, Rev. Vernon Dannerman, sponsor and manager; Roland's Signs, Lawrence Now manager.

Several possible rules changes were brought up, including new provisions for selecting umpires where each team will have a say in such choosing. Officers for the '63 season will be elected at the next meeting set for Monday night, April 1.

Representing the league-sponsoring Bay St. Louis Parks and Playgrounds Commission were Mrs. Theo Tudury, chairman, and Woodrow Lafontaine.

## PCI tourney Sunday

First of a series of monthly tournaments scheduled this year at Pass Christian Isles Golf Club will be staged Sunday, a medal play event for men and women. Chairman Jules Soulie announces. There will be a shotgun tee-off at 11:30 a.m. and prizes will be awarded for low gross in both divisions.

A mixed foursomes tourney is on the calendar for April while the club championship is slated for May and June.

## Rhodes aids Black win

Building up a 14-0 first half lead, the Blacks coasted to a 20-7 victory over the Reds in the annual St. Stanislaus spring intra-squad grid game, Saturday night at Rockchaw Stadium, closing out the 1963 spring training season.

The Black team scored their first touchdown and extra point in the opening quarter, added seven more in the second period, and took a 20-0 advantage into the final stanza before Coach Brother Edward's Reds could mark a score.

Letterman Dusty Rhodes sparked Coach Buddy Pittalo's Blacks, throwing a 25 yard aerial to end Wayne Carr for one touchdown and running 22 yards for another score. Quarterback Cricket Bradford sneaked two yards for the other Black TD. Quarterback Curtis Matherne, a junior next season, romped 15 yards for the Red's only score of the night. The Reds then ate beans while the winners were treated to a delicious chicken supper.

# Teen Times

Lots going on as always this time of year. Candidates for queen of St. Joseph's annual Spring Festival April 20, are busy earning money for their campaigns. Mary Lou Herlihy of Waveland and her friends are making and selling cupcakes and are tentatively planning a dance. Two of the other candidates are boarders, Nancy Velleman of New Orleans and Mitzi Blanche of Baton Rouge. The fourth, Anita Giani, hails from the Pass.

In a preview of what St. Stanislaus will have to offer on the gridiron next fall the Reds and Blacks met in an intra-squad game at Rockchaw stadium Saturday night. The winners, the black team ate fried chicken after the fracas, the red-clad losers had to be satisfied with beans. Curtis Matherne tallied the Reds lone touchdown in the last two minutes of play.

Hillbilly dramas are the thing as far as senior plays are concerned. North Central's took place a couple of weeks ago—Battled Heading for the Hills, the setting was a general store in Lone Mule, Tenn. Rehearsals are now underway at Bay High for Hillbilly Wedding. Some members of the cast are Karen Williams, Christy Torgersen, Gail Stewart, Nancy Chatman, Sandra Hinson, Janet Strong, Toni White, Kay Dorich, Davey Smith, Billy Pahlman, J. P. Compretto and Tier Mayfield. The plot revolves around the efforts of Ma and Pa Gall and Davey, to find husbands for their six marriageable daughters.

Bay High senior band members attended a band clinic at Pearl River Junior College last Wednesday.

Back to sports—local boxing fans will have an opportunity to see how the Bay boxing team has progressed at a three day invitational tournament today through Saturday in Stanislaus gym. The affair will be in observance of the first anniversary of the return of that sport to this area.

We hear that some of the exhibits at the science fair at Christ Episcopal last week were fabulous. Claude Yarbrough won an award for the second straight year—his last year's entry also took a prize in state competition. Cleo Moran and Millie Usher have returned to Southern for their final semester after completing a term of practice teaching.

Russell Backlund and Mary Lou Herlihy have decided to remain in their home state and will enter Ole Miss come September.

Buddy Saux brought a houseguest home with him last weekend. Buddy is a freshman at the University of Southern Mississippi.

Get well wishes go to Ann Bryant who was unable to come home for the weekend as she's suffering with flu.

Christy Torgersen is a lucky girl—she'll go to Annapolis for June Week.

Happy birthday Peter "Rob."
